SOBESSOS ARCHAEOLOGICAL SITE

GENERAL DIRECTORATE FOR
CULTURAL ASSETS AND MUSEUMS

In the ancient city of Sobeos of Cappadocia, covering the Late Roman-Early Christian periods, the chapels, where 1400 years of Christian religious beliefs and teachings are applied, awaits for visitors.

Would you like to go back 1600 years as you follow the traces of the meeting room with mosaics embroidered loop by loop with meander, swastika, eight-pointed star, braid motifs, where important decisions were made in the ancient city, and explore the Roman Baths designed with different heating techniques?
